Mercedes Benz M-AMG GLC 43

We saved our client over \$10,000

Our client was time pressed and commissioned us to search, seek and negotiate on a special prestige car.

We managed to find a brand new AMG GLC43 fully loaded with 21" rims, performance exhaust, carbon fibre trim and a host of accessories.

Thanks to our Prosperity Smart Drive team, we saved our client over \$10,000 and also managed the disposal of their current car, returning more than expected.
